

# Your Erasmus+ Traineeship

## Who we are

Placement Slovakia is a traineeship programme for higher education students and graduates interested in Erasmus+ traineeships in Slovakia.

The programme is managed by WorkSpace Europe, the only Slovak Consortium of Universities for Erasmus+ traineeship mobilities between Slovakia and other EU countries.

## Traineeships

- International companies in all sectors to fit your profile
- English working language
- Minimum traineeship duration is 5 months
- Start at any time during the year

## Benefits

- Free accommodation provided
- Administration support
- Practical support (airport pickup, introduction, ongoing assistance)
- **No fees!**

## What can you gain

Unique practical training under experienced mentors in your field in a respected international company that you may find in your country as well. Most of our traineeships end by a job offer!

Check the stories of our trainees at [www.placementslovakia.com](http://www.placementslovakia.com).

## Our main partners

Top international companies including Big Four Accountancy firms or Global Business Centers but also successful international and Slovak startups.

You can be part of their teams.
